## Declaration of Independence from the spirit of witchcraft

I hereby decree and declare in the name of **Jesus** that from my life, every chain is broken, every bondage is done away with, all mental torment is gone, all sexual confusion is now put in proper place and every disorder that has been made manifest through the power of witchcraft has been placed under the authority of my King **Jesus** and put in divine order.

I hereby decree and declare that Satan no longer has any attachment to my soul through the spirit of witchcraft.

I hereby decree and declare that I am free to live for **Jesus** and not be held back or bound by witchcraft. I have been delivered by **Jesus Christ** my Deliverer.

I hereby decree and declare that as I sign this *Declaration of Independence* that the spiritual world will take notice. I call heaven and earth as witness to this very moment in time to observe that **Jesus** has set me free and I am no longer under the influence of witchcraft.

This document is legal in the sight of **God**, myself and Satan.

It is legal to **God** because the blood of His Son **Jesus** has redeemed me and He is my Advocate.

It is legal to myself because, I agree with this document as I am a free and moral agent of **God** to make my own decisions and I choose out of my own free will to be freed.

It is legal to Satan, the accuser, because he has no choice but to accept my decision to be freed.

I hereby sign this *Declaration of Independence* from the spirit of witchcraft on this day of \_\_\_\_\_, 201\_
